Number and names of attachments to this claim/complaint	

PICTURES

Pictures that the customer must make:

1. A picture before the repair of the broken part(s)
2. A picture of all faulty/claimed parts that have been removed from the machine
3. A picture after the repair of the broken parts(s)
4. A picture of the machine hours at time of failure.
5. A picture of the machine.
6. If oil is required due to damage causing external leakage, a photograph is required.

Requirements for pictures:

1. The failed/claimed part should be well away from the machine.
2. The part should be removed from any type of packaging.
3. The area should be clearly visible.
4. Pictures should be clear or without reflections that impair vision.

If above picture instructions are not strictly followed, all warranty conditions of A&M machinery will become null and void.

Claim submission is 30 days after the end of the repair.
